

Ladies Points League

For those of us who want to play a little more, this is a great opportunity for some "friendly" competition! The only requirement is that you have an active GHIN index.

Club membership is not necessary, so invite your friends. Maybe some of them will want to join our regular women's club. We play individual stroke play. This is a "no pressure" league and everyone wins!

During the EPWGC regular season, we play on Thursdays with tee off times the same as on Tuesdays. During the winter months, we play on Tuesdays at 10:00 unless the weather dictates we move the start to 11:00. The cost is the same, \$35 for 18 holes with cart for non Eagle Point Golf Course members. \$5 of that goes into the prize fund to be awarded at the end of the season. You can also participate in the competition for KP's (\$1) or Chip Ins (\$.25).

Prize money will be distributed based on points earned throughout the season.

Points will be awarded as follows:

First Gross & Net	5 points
Second Gross & Net	4 points
Third Gross & Net	3 points
Fourth Gross & Net	2 points
Fifth Gross & Net	1 point
K P	1 point
Chip Ins	1 point
Participating	1 point
Foul Weather	1 point

At the end of the season, the money will be divided by the total points earned by everyone and your prize money will be the number of points you earn times that amount. Everyone will win some prize money. The more you play, the more you win.

Sign up sheets will be out for each week in the pro shop and you can also call in to the pro shop at 541-826-8225 if you have not signed up in advance. (We need to have an idea of the number of players to ensure there are enough tee times set-aside). If you haven't called, and decide to play at the last minute, come on down anyway and we'll fit you in somewhere.
